

# Matching gift program

---

## Guide to Match Donations:

1. Many corporations match their employees' donations to 501(c) (3) non-profit organizations like VHPA. 'Support A Child' (SAC) is Seva program of VHPA.
2. If your employer does have such a program, and VHPA/SAC is not listed on their website/database, please request them to add it. Some corporations allow specifying the program on their matching gift portal. Donors can specify SAC as program of choice. In the past we have worked with few corporations to get SAC listed.
3. Note that many employers/corporations use third party organizations to administer their matching gift program.
4. Only *after* your donation has been received by SAC (indicated by a receipt issued to you), request your employer to match the donation giving them details such as the amount, date and mode of payment.
5. Details of the recipient organization are as follows:

*VISHWA HINDU PARISHAD OF AMERICA*

*Address: 200 New Bond Street Sugar Grove, IL 60554-9171, United States*

*Tax ID: 510156325*

*Tax status: 501(c)(3)*

6. Send an email to ***[jayant.daftardar@vhp-america.org](mailto:jayant.daftardar@vhp-america.org)*** with the information in step 4 to expedite processing of the matching gift.
7. PLEASE NOTE:
  - a. Employer matching grants will be consolidated, and additional children will be supported but will not be assigned to individual donors.
  - b. If you are donating through Trusts/IRAs/ payroll deduction, please make sure that the donor's name and address and "For SAC" are specifically mentioned in the memo in order to receive a progress report for the assigned children.
